**3 – 3**  
Section 17

Reinforcement

**ANSWER  
KEY**

**Classifying Solids –  
The Net of a Solid**

**1. Classify** the solids by writing their letters in the correct box: prisms or pyramids.

Prisms: **A, C, E**

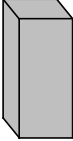

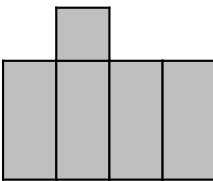

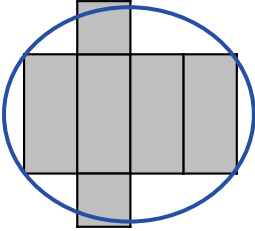

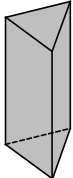

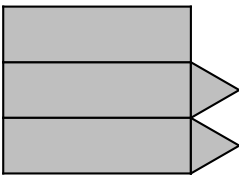

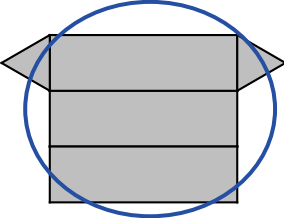

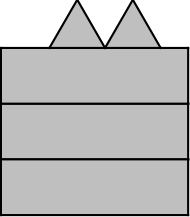

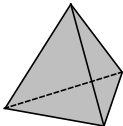

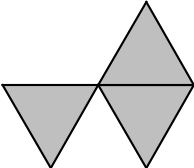

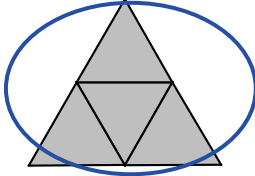

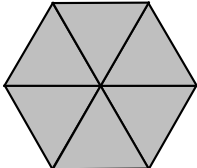

Pyramids: **B, D**

**2. Fill in** the table.

Solid	Characteristics	Shape of the Base	Example
a) <b>Square pyramid</b>	Number of faces		
	Number of edges		
	Number of vertices		
b) <b>Cube</b>	Number of faces		
	Number of edges		
	Number of vertices		
c) <b>Rectangular prism</b>	Number of faces		
	Number of edges		
	Number of vertices		

**3. Circle the correct net for each solid.**

	Solid	Net 1	Net 2	Net 3
a)				
b)				
c)				

**4. Match each group of plane figures to the solid they can form.**
